Foreword

1950

As you turn through the pages of this book, may you wander once more through the memories of the past years, recalling the happiest hours, the best-loved scenes, the valued friends, and may the pictures which we have chosen help to make your memories more vivid throughout the passing years.

Article I

We, the class of '50, leave our bubble gum, false teeth, and lollipops in the school safe for Mr. Hanes to enjoy throughout the coming year.

To the rest of the faculty we just leave with an expression of appreciation for all the help they have given us.

To the Juniors we leave our smiles, happy moods, and nice ways in hope that they will use them to a good advantage.

Article II

Bruce Autry wills his wreckless driving to B. D. Evans.

Jerry Holmes wills his ability for getting a woman to James (Shorty) Dowell.

Charles Sampley wills his love for women to John Bailey.

Donald Rains leaves his height to Jerry Mack Thomason.

Fern Shook wills her ability to get married to Joy Horn.

Dolores Newman leaves her few words to Betty Henderson.

Mary Beekman leaves her love for Eco. class to anyone dumb enough to take it.

Kyle Franks leaves his love for English to Jimmy Meadows.

Wanda Bridges leaves her ability for joking to Donna Segrest.

Joe McDonald leaves his ability for talking back to Miss Ball and getting away with it to Wayne Carr.

J. C. Young leaves his bashfulness to Ed McDonald.

Bob White leaves his corny remarks to Donald Disney.

Kenneth Harrison leaves his love for V.V.H.S. to Walter Bailey.

Bill Hammett leaves his quiet ways to Pete Solis.

Class Prophecy

Jerry Holmes - After all of those years in college has settled down to a contented garbage collector.

Bob White - After all those dreadful years in V.V.H.S. has turned out to be the V.V.H.S. janitor.

Mary Beekman - She is still an old maid, but is doing very well for herself as a fan dancer at the Miller Bros. Club.

Fern Shook - Fern is now the head dishwasher at the Beisch-Shook Cafe at Kamay.

Kyle Franks - He is now a professor of research of cats and dogs.

Dolores Newman - Who would have thought it. She is happily married to Professor Franks and is his private secretary.

Betty Roark - She is now taking in washing and ironing to support her worthless husband, ex-convict Bova.

Wanda Bridges - She now has a program on the radio of Help for Hints for good housekeepers. Tune in every Saturday morning.

Charles Sampley - He is still a lonesome bachelor awaiting the return of Martha Love.

Billy Hammett - He is now the proprietor of the K. M. A. Pool Hall.

J. C. Young - He is now a star football player but is happily married to Anna Woods.

Bill Wright - After all those dates in High School he is now working at the Parker Food Stores.

Bruce Autry - We find Bruce lying in bed late in the morning while his wife is out making the living.

Joe McDonald - He is now a great speechmaker. He got his experience in the Economics classes.

Kenneth Harrison - He now has a job with the Wichita Daily Times writing the "Lover Lorn Column."

Donald Rains - He is now the "Bat Boy" of the famous Wichita Falls Spudders.
